## B. New Business

1. **Subcommittee** — Other areas of Subcommittee participation. Now that we are back at full strength, are there other actions we can take in 2023. For example, monitor city and/or county stormwater-related activities (e.g., city grant for resiliency study); monitor stormwater-related bills at the state level; and/or develop ideas for grants to address GHI stormwater issues.
2. **Understanding the Hydrology and Geology of Canyon Creek, a Stream of the Greenbelt Forest Preserve-** City Council approved a grant proposal from Dr. Karen Prestergaard and Dr. Catherine Plaisant University of Maryland to determine 1. Why is Canyon Creek incised? and 2. What determines the location of the incision?
