

Greenbelt Homes Inc.

A COMMUNITY FOR PEOPLE WHO VALUE COMMUNITY

GHI Stormwater Management Subcommittee

Meeting Agenda – January 9, 2023

A. Introductions

1. Storm Water Management Subcommittee Members
2. City of Greenbelt Staff
3. Visitors

B. Purpose of Meeting – Obtain information on the City's selection of and experience with permeable/pervious surfaces. The Subcommittee is seeking this information to assist the Subcommittee in developing a policy for the use of permeable/pervious surfaces within GHI.

C. Visitor Comment Period

D. Information Gathering (see attached discussion topics)

E. Closing Visitor Comments and Remarks

Discussion Topics for Permeable Pavement Information Meeting

1. Describe the City's experience with permeable/pervious surfaces.
2. What types of pavements have been replaced (sidewalks, parking areas, streets, etc.)?
3. Criteria used for installment/replacement decisions.
4. How would you rate the effectiveness of these surfaces to date?
5. What types/brands of surfaces have you used?
 - Criteria used for this choice.
 - Cost considerations.
 - Any weight limits.
 - Other special considerations.
 - Requirements for installation/ease of installation.
 - Maintenance requirements & cost of maintenance. Any special maintenance needs?
 - Any special ice/snow removal considerations?
 - Length of usable life. Replacement schedule.
6. Did you consult with engineers, and would you recommend talking with them?
7. Describe any issues and challenges with permeable surfaces.
8. Any other comments or recommendations you would like to make based on your experience.
