Dear Member:

The intent of the RV/Boat lot is to provide storage option for useable and currently licensed recreational vehicles and boats. Following the GHI Recreational Vehicle/Boat Lot guidelines that you agreed to, we have repeatedly asked that you provide us with the current registration and licensing of your vehicle. You have failed to respond to these requests for at least the past ____ years.

Your vehicle/camper in lot ____ with license plate _____ no longer meets these requirements for the following reasons: (1) The registration sticker on the license plate expired on _____, and (2) the vehicle does not appear to be operational. [add other reasons if appropriate]

You must remove your vehicle from the RV/Boat lot by _____ [60 days from the date of the letter, plus to the end of that month.]

You will need the vehicle title to dispose of it. If you no longer have the title to the vehicle, you may obtain a copy from the Maryland Motor Vehicle Administration (MVA). You may obtain this online or in person, for a fee of \$20.00. See <https://mva.maryland.gov/about-mva/Pages/info/27300/27300-11T.aspx> or call MVA Customer Service at 410-768-7000.

Because your vehicle contains toxic materials such as gasoline and motor oil, you must have it towed by an automobile salvage company. You are responsible for all costs of the removal. Due to the poor condition of your vehicle, it is not suitable for donation to a charitable organization.

Two options for you to consider are Junk My Car for Cash in Lanham, Maryland 240-897-0357, and Rusty's Auto Salvage at 866-439-4401. GHI has not contacted either company, but we provide these options as a place for you to start.

Please feel free to contact me at extension 1147 or by email: cgyemfi@ghi.coop if you need any assistance. Failure to comply with the above request may result in a Complaint Panel meeting before the Board of Directors. We appreciate your cooperation with this matter. Thank you.

Sincerely,
GREENBELT HOMES, INC.
